

## DESIRABLE FUTURES MANIFESTO 2017

AEROLITO IS COMMITTED TO ACCELERATE THE FOLLOWING IDEAS SO THEY BECOME WIDESPREAD BY 2027:

1. THOUSANDS OF COMPANIES WITH THEIR OWN CRIPTOCURRENCIES, CREATING A SIDE ECONOMY APART FROM GOVERNMENTS AND BANKS.
2. A VR-PEDIA AS BIG AS OUR WIKIPEDIA.
3. NANOROBOTS INJECTED WITHIN OUR BLOOD SYSTEM TO PREVENT DISEASES FROM WITHIN.
4. SOME REPRESENTATIVE DEMOCRACIES REPLACED BY DIRECT DEMOCRATIC SYSTEMS OPERATING ON BLOCKCHAIN.
5. FEASIBLE AND ACCESSIBLE DNA EDITING FOR EVERYBODY, FREING HUMANITY FROM DISEASES SUCH AS CANCER.
6. DEVICES AS SMART AS THE INTELLIGENCE PROPOSED ON THE MOVIE 'HER'.
